

Detail of Software used by EEC Global Pvt. Ltd. Pakistan

<b>Sr. No.</b>	<b>Software Name</b>	<b>Description</b>
1	Water CAD	Design of water distribution network
2	Sewer CAD	Design of Sewerage disposal System
3	Storm CAD	Design of rain water disposal System
4	AFT Mercury	Hydraulic analysis of piping, pumping system, fire sprinkler system
5	AFT Surge	Surge analysis of piping system
6	Aquifas Plus	Process design of waste water & effluent treatment – Developed by 3W Systems
7	H2O MAP	Design of water distribution network
8	Smart Plant 3D	3D Plant modeling of all type civil, electrical & mechanical plants.
9	AutoCAD	Draughting and designing of civil, mechanical and electrical work
10	AutoCAD MEP	Design of building plumbing system
11	Auto Pipe	Stress analysis of piping system and pipe supports
12	Elite.Software.fire	Design of Fire Sprinkler System
13	Elite.Software.ductsize	Design of duct sizing for HVAC
